Siddique Shaikh

MERN Stack Developer | TypeScript | React Native | AI-Integrated Apps

Satara, Maharashtra • Open to relocation (Pune / Mumbai / Bangalore)

work.siddiqueshaikh@gmail.com • +91 7498811073 • LinkedIn • GitHub • Portfolio

PROFESSIONAL SUMMARY

Second-year B.Tech CSE student with production experience in the MERN stack. Built 3 live full-stack web applications serving real customers, including an e-commerce platform with 1,500+ products and 500+ monthly visitors. 2× first-place hackathon winner (SIH qualifier out of 100+ teams). Proficient in TypeScript, Socket.io, WebRTC, AI (Gemini & OpenAI), GSAP, and React Three Fiber..

EDUCATION

B.Tech, Computer Science & Engineering 2025 – 2028 (Pursuing)
KBP College of Engineering, Satara

Diploma in Computer Science **May 2025 | CGPA: 9.2 / 10**
KBP Polytechnic College, Satara

TECHNICAL SKILLS

Frontend	React.js, React Native, JavaScript, TypeScript, Tailwind CSS, GSAP, React Three Fiber
Backend	Node.js, Express.js, REST APIs, WebSockets (Socket.io), WebRTC
Databases	MongoDB, MySQL, Cloudinary,Redis
AI / APIs	Google Gemini API, OpenAI API, Prompt Engineering
DevOps	Docker, Git/GitHub, GitHub Actions (CI/CD), Vercel, Netlify, Render

PROJECTS

Task-Tracker — Real-Time Collaboration Tool MERN • Socket.io • WebRTC • JWT • Tailwind CSS

★ 1st Prize — KBP Polytechnic Project Competition (35 teams)

Live: https://task-tracker-cyan-alpha.vercel.app

GitHub: https://github.com/shaikhsiddique/Task_Tracker

• Built full-stack task management platform with JWT authentication, role-based access control, and deadline tracking.
• Implemented real-time collaboration using Socket.io group chat and WebRTC video calls.
• Added automated notifications and Redis caching for better performance.
• Led 3-member team and won 1st prize out of 35 teams.

Soul Space — AI Mental Health Assistant MERN • Socket.io • Google Gemini API • TypeScript

★ 1st Prize out of 100+ teams — SIH Qualifier & Multiple Hackathons

Live: https://soul-space-nu.vercel.app

GitHub: https://github.com/shaikhsiddique/SoulSpace

• Developed AI-powered mental health platform with Google Gemini chatbot for conversations and mood assessment.
• Built real-time peer support chat using Socket.io with mood tracking and journaling.
• Secured 1st prize in Smart India Hackathon (SIH) qualifier against 100+ teams.

Roop Darshan Rental Hub — E-Commerce Platform MERN • Cloudinary • Caching • Redis
Live: https://roopdarshan.com
GitHub: https://github.com/shaikhsiddique/RoopDarshan

• Developed production e-commerce platform with 1,500+ products and 500+ monthly visitors.
• Implemented client-side + Redis caching for fast loading with large catalogue.
• Built admin panel with full CRUD operations and Cloudinary media management with watermarking.
• Added bilingual support (English + Marathi) and LocalStorage cart system.

Additional Projects
• GitHub Repository Explorer — Fully typed React app with real-time repo search and Chart.js visualization.
• Multi-Player Chess — Real-time online chess using chess.js + WebSockets.
• Meraaj Palace Restaurant — meraajpalacerestaurant.com (real-time table booking with instant notifications).

INDUSTRIAL TRAINING

Android App Developer Intern | IRCT Satara 45 Days | 2024
GitHub: https://github.com/shaikhsiddique/Cab-Booking-App

• Developed Android cab booking app with admin/user login, booking management, and driver assignment using Java & Android Studio.
• Completed full development cycle including backend integration and real-time data handling.

CERTIFICATIONS

- Sheriyans Coding School — Backend Domination (Node.js & Express.js) | May 2024
- Forage — JPMorgan & Walmart Software Engineering Simulations | Jun 2024
- Microsoft / LinkedIn — Generative AI Essentials | Jul 2024
